Dear Pamela,

**Re: Approval of Wolverine Project Heritage Resource Protection Plan Version
2007-01**

Pursuant to section 12.4 of Quartz Mining License QML-0006 (QML), you have submitted a Heritage Resource Protection Plan to the Chief for approval. This document, dated November 2007, was prepared by Yukon Zinc Corporation in conjunction with Ross River Dena Council and received electronically in our office on November 26th, 2007.

I, in my capacity as Chief, have reviewed the plan and have determined that the above Heritage Resource Protection Plan is approved. I wish to remind you at this time that as required by section 12.6 of the QML, upon approval, the Licensee must immediately undertake the activities described in the plan.

Schedule C of the license has been revised to reflect this new approval and an updated schedule is attached to this letter and will replace any previous version.

If you have any questions or concerns, please do not hesitate to contact me at (867) 667-3126.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Holmes".
