Yukon Government

Research images provided by respondents.gov.ca. Interpretations were made based on 2013-2016 images. Boundaries of disturbance were derived based on 2016 imagery and 2015/2017 field observations. Additional field data were collected within anthropogenic areas derived from data provided by Ducks Unlimited.

Contours and watercourses provided by Yukon Resources Canada. Contours and watercourses are at a scale of 1:50,000. Contour information derived under the Open Government Licence - Canada.
