Extent of Wetland Mapping

Prepared by
CryoGeographic Consulting and
PALMER ENVIRONMENTAL CONSULTING GROUP INC.

Mapping by: K. McKenna
Compiled by: B. Elder, D. Sacco & R. McKillop

Revised imagery provided by responses.gov.ca. Interpretations were made based on 2013-2016 imagery. Boundaries of disturbance were updated based on 2016 imagery and 2015/2017 field observations. Wetland and upland habitat boundaries were digitized from data provided by Ducks Unlimited.

Contours and watercourses provided by Yukon Resources Canada (CANC) and are mapped at a scale of 1:50,000. Contour information derived under the Open Government Licence - Canada.

March 2018
