Mapping by: K. McKenna  
Compiled by: B. Elder, D. Sacco & R. McKillop

Revised imagery provided by mapbox.com. Imagery was made based on 2013-2016 images. Boundaries of disturbance were generated based on 2016 imagery and 2015/2017 field observations. Wetland and upland habitat labels were generated from data provided by Ducks Unlimited.

Contours and watercourses provided by Yukon Resources Canada. Contours and watercourses are at a scale of 1:50,000. Contour information derived under the Open Government Licence - Canada.
