Yukon Government

Basemap imagery provided by respondents.gov.ca.ca. Interpretations were made based on 2013-2016 imagery. Boundaries of disturbance were derived based on 2016 imagery and 2015/2017 field observations. Wetland and upland habitat labels and adjacent areas derived from data provided by Ducks Unlimited.
 Contours and watercourses provided by Nature Resources Canada. Contours and watercourses are at a scale of 1:50,000. Contour information derived under the Open Government Licence - Canada.
