Basemap imagery provided by mapbox.com. Interpretive area maps based on 2013-2016 imagery. Boundaries of disturbance were updated based on 2016 imagery and 2015/2017 field observations. Wetland boundaries were updated with anthropogenic areas derived from data provided by Ducks Unlimited.

Contours and watercourses provided by Yukon Resources Canada. Contours are displayed at a scale of 1:50,000. Contour information derived under the Open Government Licence - Canada.
