Baseline imagery provided by mapbox.com. All interpretations were made based on 2013-2016 imagery. Boundaries of disturbance were generated based on 2016 imagery and 2015/2017 1:50,000 scale aerial photography. Wetland boundaries were derived from 1:50,000 scale aerial photography with interpretation areas derived from data provided by Ducks Unlimited.

Contours and watercourses provided by Yukon Resources Canada. Contours and watercourses are a scale of 1:50,000. Contour information based under the Open Government Licence - Canada.
