Dear Bill Harrison:

Re: Class 1 Notification P2022_0011 - Allowed with additional terms and conditions.

This letter is to inform you that your Class 1 Notification P2022_0011 is valid as of April 01, 2022.

Your Class 1 Notification and proposed work program (March 31, 2022 - March 30, 2023) is allowed to proceed with the following terms and conditions:

- The claim included in this notification overlaps with First Nation traditional territories. You are encouraged to contact the CAFN Heritage Lands and Resources, Environment and Natural Resource Officer Meagan Grabowski (mgrabowski@cafn.ca, 867-456-6877) to further discuss this project.

Security may be required at any time by the Chief. The operator must furnish security within thirty (30) days of receiving the written notice from the Chief of the requirement to post security.

To help improve the environmental performance of your program, you are encouraged to refer to the attached operational guidelines. In addition, you are encouraged to contact

affected First Nations to further discuss your program.

Class 1 work cannot occur on claims/leases that have lapsed or pending claims/leases until they are granted by a Mining Recorder. Please ensure the claims/leases within your Class 1 Notification are in good standing prior to beginning your work program. Any work occurring on pending or lapsed claims/leases will be in contravention of the *Placer Mining Act* and *Territorial Lands (Yukon) Act* and representation work conducted will not be accepted by the Mining Recorder.

Please note: the notification will expire on April 04, 2022 and all reclamation must be completed at the end of the program or prior to the expiry of this notification, whichever comes first. All proposed activities must abide by Schedule 1 (Operating Conditions) of the *Placer Mining Land Use Regulation*. In the event that claims/leases lapse, a Class 3 or 4 authorization is issued, or that agreements to operate on claims/leases are dissolved, the Class 1 notification becomes null and void for that portion of the program, where there is no right to the minerals.

If you have any questions about this letter, please contact the district office by phone at 867-993-5343, fax at 867-993-6747, or email at dawson.mining@yukon.ca.

Sincerely,
[AUTHOR-NAME]
