Current planning designation of application lands

No zoning Agricultural Other: _____

Name of applicable community or local area plan: _____

Submittal information

Required additional information – the following information must be submitted with all applications

Sketch plan – Provide 3 copies of a sketch plan, drawn at a legible scale, showing the scheme of the proposed parcel configuration. Including the following information:

- Title block (giving description of application lands)
- Arrow indicating North
- Drawing scale
- Existing lot numbers of any adjacent lands
- Configuration/location of proposed (and adjacent existing) parcels of land
- Dimensions and bearings for all proposed and existing lot lines

continued...

- Roads, trails, pathways located on or near the application area
- Water bodies, drainage courses located on or near the application area
- Location of existing or proposed improvements on or near the application area
- Existing or proposed utilities (electrical, water, sewer etc.)
- Signature block for endorsement of subdivision approving officer
- Signature Block for endorsement of Commissioner of Yukon

Ownership/title

- Copy of certificate of title
- Copy of any caveats or encumbrances registered against the title

Proof of property taxes paid

- Written verification from the appropriate taxing authority that all property taxes have been paid on the lot(s).

Additional information – the following information must be submitted, depending on the nature of request.

Depending on the nature, magnitude or location of any given application, an applicant may be required to undertake and provide further studies or assessments. This may include, but is not limited to such things as: environmental impact assessments, fisheries studies, geotechnical investigations, further public consultation, etc.

If the application is within the boundaries of a municipality, provide written confirmation from that municipality that either:

- the proposed use **is** in compliance with existing planning and zoning schemes, **or**
- the proposed use **is not** currently in compliance with existing planning or zoning, but will be considered through an established public zoning/planning amendment process.

Development requirements: subdivision applications may include conditions requiring certain work to be performed.

- In some cases, public infrastructure included in subdivisions will be transferred and become the responsibility of the government or municipality. This includes such things as roads, streets, parks, public utility lots, water and sewer services, etc.. To ensure that subdivisions are developed to accepted standards, there may be a requirement for a development agreement to be entered into between the parties. This development agreement may include the provision for the applicant to post performance security.

If the application has an agent include:

- a document signed by the registered owner(s) of land(s) authorizing the listed agent to act on their behalf.

Applicant/owner consent

I/we certify that I am/we are the registered owner(s) of the land described in this application.

I/we certify that the subject property is my/our principal residence.

I/we certify that all of the submitted information is true and correct to the best of my knowledge and belief.

I/we understand that any misrepresentation of submitted data may invalidate any approval of this application.
